Committee Goals & Objectives

X. Dealer Relations

A. Objectives

1. Assess dealer needs and concerns involving shortline equipment.

2. Make recommendations to the Board of Directors on enhancing communications and support between our Association, dealer organizations, and other appropriate associations.

B. Goals and Actions

Monitor legislative issues such as warranty, buy-back legislation, and contractual laws, and make recommendations to the Board of Directors. Develop appropriate support to promote member products and the benefits of shortline manufacturers.

Committee Member Responsibilities

1. Have a clear understanding of the objectives of the committee and keep current on the committee’s activities

2. Make helpful insights into the objectives and goals of the committee

3. Allow others to present their ideas without interruption and listen with an open mind

4. Complete all assignments accepted, keep your Chairman abreast of your progress, and seek assistance if needed

5. Demonstrate leadership through support of the Association and attendance and participation at events related events.
